**To Whom It May concern**

## COMMERCIAL AGREEMENT

I, Anthony Apparailly, Director of Acoustoscan Limited – independent laboratory dedicated to the testing and certification of sports surfaces – hereby confirm that **Sports Services, LLC** has received the appropriate field training and has successfully attested of its skills during the in-situ inspection of the FIFA Goal Project in Yaroslavl, Russia in November 2017. The field has been successfully certified by FIFA federation.

Therefore, ACOUSTOSCAN allow **Sports Services, LLC** to represent them for 2018 in Russia for sales and commercial efforts. One FIFA-accredited technician is always sent on site in case of a FIFA field certification.

**Date:** 1<sup>st</sup> June 2018.

.....  
**Anthony Apparailly**
